THE FOREIGN TRADE SERVICE NETWORK (SERVICEVERBUND AUSSENWIRTSCHAFT)

iXPOS-The German Business Portal, is the central contact platform that steers all inquiries about Germany through the right channels.

The portal originated from a member initiative of the German Foreign Trade Service Network (Serviceverbund Außenwirtschaft), who saw the need for a central point of contact for foreign companies interested in trading with Germany.

Today, iXPOS is supported by many members, including government institutions, industry associations, Chambers of Industry and Commerce as well as embassies and international organizations that promote foreign trade between Germany and the rest of the world.

We are part of Germany Trade & Invest. If you are interested in investment opportunities in Germany, please visit the investment section of the Germany Trade & Invest website.
